Meeting Minutes of January 18, 2023

Meeting Convened 6 pm/Adjourned 7 pm

Members in attendance: Pat Donahue, Kimberly Dallas, and Dee Cooke

General Discussion: A review of the Comprehensive Plan Implementation and how the Comprehensive Plan Review Committee will proceed.

The members chose not to present a report for the Annual Town Report this year. The committee lost four key members and are starting anew. George Seal's email on the status of the implementation as well as the Comprehensive Plan Implementation Report that was presented to the Select Board on Sept. 7th, 2021 was shared by Pat Donahue. Many of the ongoing processes have been completed, but there are still items to be addressed.

Strategies on how to proceed were discussed. As we are seeking new members for the Comprehensive Plan Review Committee, we will rotate the position of Chair until new members are added.

The committee will focus on Section 5: Recreation and Community, of the Comprehensive Plan next month. Recreational Director, Dam MacGlashing will receive Section 5 to review and agreed to attend the February meeting.

Code Enforcement will be the focus for the March meeting. A plan for presenting recommendations to the Select Board was discussed.

The Comprehensive Plan Committee plans to join the Lakes Committee meeting on February 1st to continue the plan for a Conservation Committee.
