OLD BUSINESS

Public Works Ad Hoc Committee

At its December 20 meeting, the Selectboard approved establishing an ad hoc committee to explore a possible Public Works department. A notice has been posted to the Town's Facebook page and emailed out to all current Town committee members.

Two applications for the committee have been received: Jack Sutton and Cory Alexander.

Lengthy discussions on the urgency of getting the committee going as soon as possible, the need for a 'doing' group – not a 'study' group; we are a year out from the need to have things in place; other towns are in similar situations; can we partner for services or buying power; need to allocate funds in 2023 for start up; building needs; budget etc.

The Board would like to wait until the next meeting for additional committee applications to come in. Names for possible committee members: Town Manager, Road Commissioner, Fire Chief, Jack Sutton, Kevin Hawes or Scott Damren, Carol Johnson, Cory Alexander. The committee should meet weekly.

Communications Committee should be brought in to help educate residents on the need for a Public Works Department; Chair Melanie Jewell will add something into her report for the Annual Town Report.

ARPA Funds

The Town is in receipt of \$332,584 of ARPA funds. Several public meetings were held for input, as well as a suggestion form that residents could use.

To date, the Town has received two completed forms – one for broadband expansion and one for 7 Lakes Alliance funding.

A list of possible projects that have been carried forward over the last few months includes: costs associated with the water system to remedy salt contamination in wells around the town office; public lake access; town office drive-thru; new fire station; video meeting equipment for CFAS; 7 Lakes Alliance; wi-fi access around town; public works department.

NEW BUSINESS

Storm Closing Policy

Vice Chair Barbara Allen has drafted a policy and included current policies for both the Transfer Station and CFAS which were provided to the Board at the December 20 meeting for review and discussion at the January 3 meeting.

After review and discussion, Barbara will continue to work on the policy to incorporate all three into one document. Additional information will be gathered from other municipalities.

Mooring Ordinance

The Town received a letter from IF&W with regard to the current Mooring Ordinance in place. Suggestions from legal counsel were to stop enforcement and work on any amendments to the ordinance. Hans suggested enforcing safety only.

After discussion, the Board asked Code Enforcement Officer Hans Rasmussen to contact IF&W and work with them to find out what the Town needs to do.

Annual Appointment – ACO

The position held by Jeff Worthing is up for re-appointment for the fiscal year (January 1 through December 31, 2023).

Chair Melanie Jewell made a motion to re-appoint Jeff Worthing as Animal Control Officer from January 1 through December 31, 2023, seconded by Selectperson Carol Johnson, vote 4-0.

Reviewing the new contract, the Board discussed increasing the hourly rate for court time and warrants for dogs from \$15.00/hour to \$18.00 hour. The Board would like to include reference to Maine Statute numbers in the contract as well. The Board will discuss uniform and safety clothing at the January 10 budget meeting.

Selectperson Dan Newman made a motion to increase the hourly contract rate to \$18.00, seconded by Selectperson Carol Johnson, vote 4-0.

Dispose of old building at Transfer Station

Transfer Station director Ken had someone request the old building that used to house his office. The building came to us as a donation from Hammond Lumber (they used it as a guard shack prior to). The building is insulated and has sheetrock walls, 4 windows (all sills are rotted and leaking); the roof is as old as the building but no signs of leaking (yet). The floor is unfinished plywood.

Ken estimates the cost of disposal (not knowing the exact weight) at approximately 2.5 tons @ \$90/ton tipping fee = \$225.00 plus a haul fee of \$142, and labor at \$135. Approximately total cost of disposal around \$502.

Ken has asked if the town decides to give the building away, to include a disclaimer that once the resident accepts and signs any paperwork, he/she is responsible for cleanup and if, for any reason after signing, they decide not to follow through – they will be responsible for any fees incurred to dispose of the building.

Cemetery Ordinance Amendments

The Cemetery Committee has made some amendments to the current ordinance for your review. If approved, the ordinance can be placed on the town meeting warrant for March so that residents have an opportunity to vote on the updates.

Both the survey as mentioned below, and ordinance (amendments) are attached for your review.

Michial Heino provided the following additional information:

In follow-up to our conversation regarding the cemetery pricing changes in the Cemetery Ordinance update, attached please find the most recent cemetery cost survey I have completed. I contacted 19 surrounding towns for their pricing. As you will see, Belgrade's costs for both lot purchases and burials are much lower than the other towns with the exception of Rome. Rome's lots are less expensive, but they are in the process of discussing an increase.

One interesting thing I found out was that several towns no longer allow non-residents to purchase lots due to limited space in their cemeteries. Out of staters have bought up lots which has left the residents in the towns with no options. Also, I was advised that, in this day and age, people are shopping for the cheapest space regardless if they're a resident or not!

The majority of towns use private contractors to open and close graves. Hallowell and Oakland have a sexton, but rely on the town public works employees to open and close graves.

In Section 13.1 of the ordinance, we list the pricing for lot purchases and burial costs. After reviewing the results of the survey, it is the Cemetery Committee's recommendation that we increase our lot purchase prices from \$200 to \$300 for residents and from \$450 to \$550 for non-residents. For burial costs, we recommend increasing the prices for full burials from \$450 to \$600 on weekdays and from \$500 to \$700 on holidays and weekends and for cremation burials from \$150 to \$200 on weekdays and from \$250 to \$300 on holidays and weekends.
