

## NOTICE OF PROJECT INFORMATIONAL MEETING

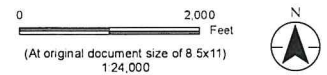

Belgrade PV, LLC, a subsidiary of Summit Ridge Energy, LLC, proposes to construct and operate the Belgrade Solar Project located on Oakland Road (Routes 8 and 11) in Belgrade, Maine. The project area is located on the west side of Oakland Road, south of Burton Woods Road and north of Route 135 (see enclosed figure). The proposed project will consist of solar arrays capable of generating up to approximately 4.95-megawatts of alternating current. The project will also consist of access roads, underground electrical collector lines, and a short segment of overhead electrical line that will connect to the existing Central Maine Power distribution system. The solar arrays will be surrounded by perimeter fencing, and the total fenced project area will include approximately 36 acres.

Belgrade PV, LLC held a public informational meeting in Belgrade on November 17, 2021. To further engage with the community, Belgrade PV, LLC will hold a second public meeting to provide information and updates about the project and to answer questions and seek comments from the public. This meeting will be held on March 9, 2022 at 6:15 PM at the Belgrade Community Center for All Seasons located at 1 Center Drive in Belgrade. Questions about the public meeting or project may be directed to Ben Aparo of Belgrade PV, LLC at 860-463-0600.
